

## Heathfield Day and Boarding Summer Camp COVID-19 Guarantee

At Heathfield School we understand that we are all living in unprecedented and uncertain times which make it very difficult to plan and make decisions. That is why we have introduced our 'COVID-19 Guarantee'.

**Our COVID-19 Guarantee means that you can register your daughter for a place at Heathfield Summer Camp, safe in the knowledge that you will not lose out financially if the Coronavirus pandemic interrupts your arrangements because:**

- If, after paying your deposit or full fees, your daughter is unable to join the summer course because she is ill with COVID-19 or has to isolate, we will

either change the dates (if practicable)

or return your fees

or offer you the chance to hold over your booking to 2022.

We reserve the right to ask for evidence of a positive test or instruction to isolate.

- If Heathfield School is unable to run the summer course because of UK COVID-19 restrictions, we will

either return your fees

or offer you the chance to hold over your booking to 2022.

If you wish to read the current main school arrangements for dealing with COVID, please open the links to the COVID-19 Guidance Brochure for Day Girls or Boarders on this page
