

Heathfield Summer School COVID-19 Guarantee

At Heathfield School we understand that we are all living in unprecedented and uncertain times which make it very difficult to plan and make decisions, especially for families overseas. We also understand that securing the best education on a summer course for your child is still important to you. That is why we have introduced our 'COVID-19 Guarantee'.

Our COVID-19 Guarantee means that as a family living overseas, you can register your daughter for a place at Heathfield, safe in the knowledge that you will not lose out financially if the Coronavirus pandemic interrupts your plans because:

- If, after paying your deposit or full fees, a student is unable to join the summer course for a COVID-19 related reason, we will return your fees or offer you the chance to hold over your booking to 2022.
- If Heathfield School is unable to run the summer course because of UK or international COVID-19 restrictions, we will return your fees or offer you the chance to hold over the booking to 2022.

COVID-19 related reasons could be: government restrictions on travel (in either the UK or your country of residence); the cancellation of the student's flight with no suitable alternative flight offered; the student being unable to travel due to sickness or isolation. The school reserves the right to ask for evidence of a positive COVID-19 test/requirement to self-isolate or of flight cancellation.

Please note that the travel insurance provided by Heathfield's insurers Canopus Studentguard will cover students for COVID-19 medical treatment while they are in the school and will also cover any extended stay in the school beyond the end date of their course if that is necessary and cover them for change of return travel to a maximum value of £5,000.

If you wish to read the current main school arrangements for dealing with COVID, please open the COVID-19 Guidance Brochure for Boarders on this page for current information:
